## EDUCATION

### Udemy

- **The Complete Node.js Developer Course**

Aug 2020 - Jan 2020

- **React - The Complete Guide**

Apr 2021 - Jun 2021

## ABOUT ME / HOBBIES

I am a passionate tech enthusiast, who is into drones, table tennis and playing guitar. Started my programming path at the young age and through that time I have learned quite a lot of information which I love to realize at the real-world projects.
